A MESSAGE FROM KELLIE

"We make a living by what we get, but we make a life by what we give." Winston Churchill.

With deep appreciation and utmost respect, I express my gratitude to the 2023 donors of Teen Esteem+.

Despite the overwhelming global and local strife, this group fights for student empowerment and promotes mental health, creating a positive and immediate impact.

Teen Esteem+ donors demonstrate empathy for youth who may lack the maturity and skills to overcome obstacles and pressures they face in their world. You help provide the tools and resources giving them the chance to develop into healthy, thriving young adults.

Donations to Teen Esteem+ are immediately infused into the Tri-Valley student community and have a tangible impact, transforming obstacles into opportunity, vulnerability into strength, and despair into hope.

You are doing something incredible, as demonstrated by this report's statistics.

Throughout the remaining 2023/24 school year, we will be striving to meet the highest demand for our programs that we have ever experienced. Your unwavering support as a Teen Esteem+ annual donor makes it possible to continue our mission to change lives.

Thank you!
